In such instances, the Delegate should give his/her original Credential to the Alternate, with his/her copy of this letter and suggest that he/she immediately make his/her hotel reservation. If the Delegate has already made a hotel reservation and the Alternate is agreeable to using the same accommodations, the Delegate should promptly advise the hotel of the name of the person to whom the reservation should be transferred.

As a Delegate present at the Convention, you will be required to register as the Delegate for all Lodges you were elected to represent. Alternates will not be permitted to represent a Lodge as a Delegate if the Delegate is in attendance at the convention.

## **TRANSFER OF VOTES**

**You should be advised that the transfer of votes between Delegates is not permitted, and that under Article XVIII, Sec. 14, Paragraph 1 of the National Division Bylaws, no Delegate may represent more than five hundred (500) members unless the members are all of one (1) Local Lodge. Only members in good standing are counted in arriving at a Lodge's voting strength.**

Therefore, care should be exercised in those instances where a member is elected as a Delegate representing more than one (1) Local Lodge with a combined membership in excess of five hundred (500). Any Delegate present at the Convention who was elected as the Delegate for more than one (1) Local Lodge will be required to register as the Delegate for all such Lodges and will not be permitted to transfer his/her Credential to an Alternate for such Local Lodge(s), even though the Alternate is in attendance and the Delegate may be carrying in excess of five hundred (500) votes.

## **VOTING STRENGTH**

**As stated in the Convention Call, the voting strength of each Lodge will be determined in accordance with National Division records twenty (20) days prior to the convening of the Convention. Therefore, dues payment must be on record at National Division on May 25, 2022 in order to be recorded.**
