Lots of ways to save!

No matter what your lifestyle or health care needs, UnitedHealth Allies can help you save. Here are some examples:

- Does your vision plan cover only one pair of glasses per year? Use UnitedHealthAllies to save on a back-up or replacement pair — or on a pair to match every “look!”
- Are you considering a costly service such as LASIK or teeth whitening? UnitedHealth Allies can make it more affordable.
- Ready to start a fitness program, lose weight, or quit smoking? UnitedHealth Allies can help you take control of your health and well-being.
- Curious about chiropractic, acupuncture, natural medicine, or massage therapy? UnitedHealth Allies makes it easy to explore these “alternative” treatments.
- Do you have an elderly parent or grandparent who needs help with day-to-day activities? UnitedHealth Allies can help you save on home health care and other long-term care services for your loved one.

Easy to use

With UnitedHealth Allies, no referrals are required and there are no claim forms to submit. There are three easy ways to locate participating health care professionals:
